Pages Monday, 29 August 2016 We here at FastTracks wish to extend our appreciation for all the positive feedback received following the release of our new website last week. Since that time we have had several inquiries about new board textures, new art and kits, and of course, question marks about the quality of our products. The good news is, we're all set. The new website comes with a new combination of textures, graphics, and webpages. All of the products you've seen in the store (and on the blog) have been replaced with new images and graphics. We've also added additional text boxes to give you more information about the quality of our products. We're happy to report that all of our products meet or exceed the quality of the previous version of our website. We have held to our core values and high standards throughout this website refresh. We hope you'll find it all to your satisfaction. If you have any concerns about anything 2d92ce491b
