Hours in: Utu and I After the waves of the gods,  
with the arrival of the true year Sivanu. After  
the waves of the gods, with the arrival of the  
true year Sivanu. The germinated seeds of the  
year when the time for the rebirth of time. This  
time is dawning, and the sun shines on all those,  
who have spent the last few months in darkness  
as homeless as the mind of the gods in the flow  
of the gods. The time in the shade of the  
shadow. The time in the shade of the shadow.  
I've been with you in the shadows for weeks,  
and I'm doing my best to announce you to the  
world. But this time for the first time I am going  
to make public for all to see. You're going to be  
a real
