Mohpa Hag Dll

Jul 11, 2012 I use windows XP

and i was playing many games on it before i got infected by a virus and got windows XP installed on my hard drive.

mohpa hag dll windows 7 and sometimes i get this error. I also use virus protection and my laptop also has vista. I restarted my laptop and my computer and virus protection 4 times today and still no fix. I dont really know what to do but it is painful having to reboot so many times

especially when i was in the
middle of a game! Error
