Easy Video Converter is a powerful, easy-to-use software application that enables users to easily convert video files between all popular video formats. It also allows users to convert audio files between all popular audio formats. The software is designed to save users time when converting large amounts of video files, and also to easily edit and create videos on the fly. The software is 100% safe and virus-free. It also comes with a quick and friendly interface. The program is a perfect choice for anyone who wants to quickly convert video files to the popular formats such as MP4, AVI, MOV, MPG, VOB, WMV, 3GP, FLV, ASF, MP3, AAC, WAV, JPG, GIF and DIVX. Easy Video Converter is also a perfect tool to convert video files to popular portable devices such as iPhone, iPad, iPod, BlackBerry, and other mobile phones. Quick Guide to Convert AVI to MP4 AVI is one of the most popular video formats, which is used in a wide variety of file types and applications. It has been around for over two decades, and will be around for a long time to come. This is because it is popular with users for its flexibility, ease of use, and of course its quality. These are a few of the reasons why you should convert your AVIs. Here are the steps to get your AVIs to MP4. Step 1. Open the Easy Video Converter. Step 2. Click on the "Add Video" button to open the Add Video window. Step 3. Load the AVI files you want to convert from the folder. Step 4. Click on "Add" to start the video conversion. Step 5. When the conversion is finished, you can preview the files before saving them as MP4. Step 6. You can click "OK" to save the video files to your computer. Step 7. You can click "Exit" to exit the program. . Convert AVI to MP4: Tips for Effective Video Conversion In case you want to have a clean, high-quality video for your websites, you should know how to choose an appropriate format and settings. If the AVI files are the high-definition videos, MP4 will be the best choice for you. . 1. Convert AVI to MP4 with the right setting.

Easy Video Converter Crack +

Macro Recorder is a feature-rich video recording and playback tool that helps you make fantastic content of your life and share it with friends and family. KeyMacro helps you record, edit, and playback life's special moments while you can just leave it on and forget it. Easy to use, KeyMacro is an all-in-one solution for video recording, sharing, and playback. NEW: Support 12MP / 1.5-inch sensor Support 5.0K / 2.7K camcorder Make great videos: capture unforgettable moments like never before KeyMacro supports the most popular video format — H.264 — and also records in the AVI and MP4 formats, for playback on your iPhone, iPad, iPod touch, Android, and Windows Phone devices. KeyMacro also plays back videos recorded by DSLRs, camcorders, and smartphones. The videos are also shared over the web and can be viewed on Facebook and YouTube. NEW: More features KeyMacro provides a wider range of recording features to make sure you capture the best moments of your life. Editing: trim, cut, merge, and remove unwanted scenes On-screen button controls Quick and easy, time-saving controls. With keypressed shortcuts, you can easily start, stop, pause, and rewind your recording. KeyMacro uses the same audio and video settings on all your devices to provide a consistent user experience across your family. NEW: Share videos on Facebook and YouTube Want to share videos with your friends? Just send them a link to your KeyMacro videos and they'll be able to watch on their devices just as easily as you did. Also, KeyMacro videos are supported by HTML5 and will play in any web browser. NEW: Record movies at 5.0K Higher resolution videos are important for viewing on larger screens, and KeyMacro allows you to record videos in 5.0K resolution. KeyMacro also automatically compensates for lower image quality when downscaling the videos to lower resolutions. NEW: UHD videos are supported Record videos at 60fps in 4K resolution. NEW: Support iPhone 6S Plus and 6S Record movies at 5.0K in iPhone 6S Plus and 6S KeyMacro's unique recording and editing features make it the easiest way to make great content of your life. KeyMacro is compatible with 77a5ca646e
